

CITY NATIONAL ROCHDALE WEBSITE LOGIN GUIDE - EXISTING CLIENT LOGIN

Getting logged in is Quick and Easy. Just follow these FOUR easy steps:

1. Visit www.cnr.com and click Login to myCNR in the top right hand corner.

2. Enter your **existing** City National Rochdale Username and Password and click Login. (Your login and password have not changed). If you do not have or lost your login/password information please contact our Web Support Transition team at 800 245-9888 or websupport@cnr.com

Non-deposit Investment Products: ▪ are not FDIC insured ▪ are not Bank guaranteed ▪ may lose value

- You will be required to answer at least one security question. You can create your own question if you are not comfortable with any of the three options. Click [Save Security Answers](#).

The screenshot shows the 'Account Verification' page for City National Rochdale. At the top, there is a navigation bar with links for 'Financial Advisors & CPAs', 'Private Clients', 'Investment Firms', 'Economic & Portfolio Strategy', and 'About City National Rochdale'. Below the navigation bar, the page title is 'Account Verification'. The main content area contains a form with the heading 'Please add at least one security question.' There are three pre-defined security questions: 'What city were you born in?', 'What's your mother's maiden name?', and 'What's your father's mother's maiden name?'. Below these are fields for 'User Defined Security Questions', including a 'Custom Security Question 1' and an 'Answer' field. A 'Save Security Answers' button is located at the bottom of the form. At the bottom of the page, there is a footer with links for 'Site Map', 'Terms and Conditions', 'Privacy Policy', 'Business Continuity Planning', 'Routing of Customers Orders', 'ADV', 'Mutual Funds', and 'Visit CNR.com'. A disclaimer box states: 'Non-deposit Investment Products are: not FDIC insured, not Bank guaranteed, may lose value'. The copyright notice at the bottom reads 'Copyright © 2013 City National Rochdale All rights reserved.'

- You will be required to enter a valid email address. The email address will be used when resetting your password and or retrieving your login.
